**Re: Notice of Permitted Ex Parte Contacts, WC Docket 06-10**

Dear Ms. Dortch:

The purpose of this letter is to advise the Commission of permitted *ex parte* contacts in the above-referenced proceeding. On March 20, 2006, Maria Browne and Scott Thompson on behalf of Virtual Hipster and NextG Networks, Inc., respectively, met with Attorneys, Adam Kirschenbaum and William Kehoe, and Deputy Chief, Jeremy Miller of the Wireline Competition Bureau. They discussed the matters summarized in the companies' comments of February 10, 2006, previously filed in this docket. The attached pictures demonstrating that equipment boxes are currently located in unusable space on poles, as well as the attached diagrams illustrating possible Virtual Hipster attachment methods were also shared with the Commission staff in attendance.

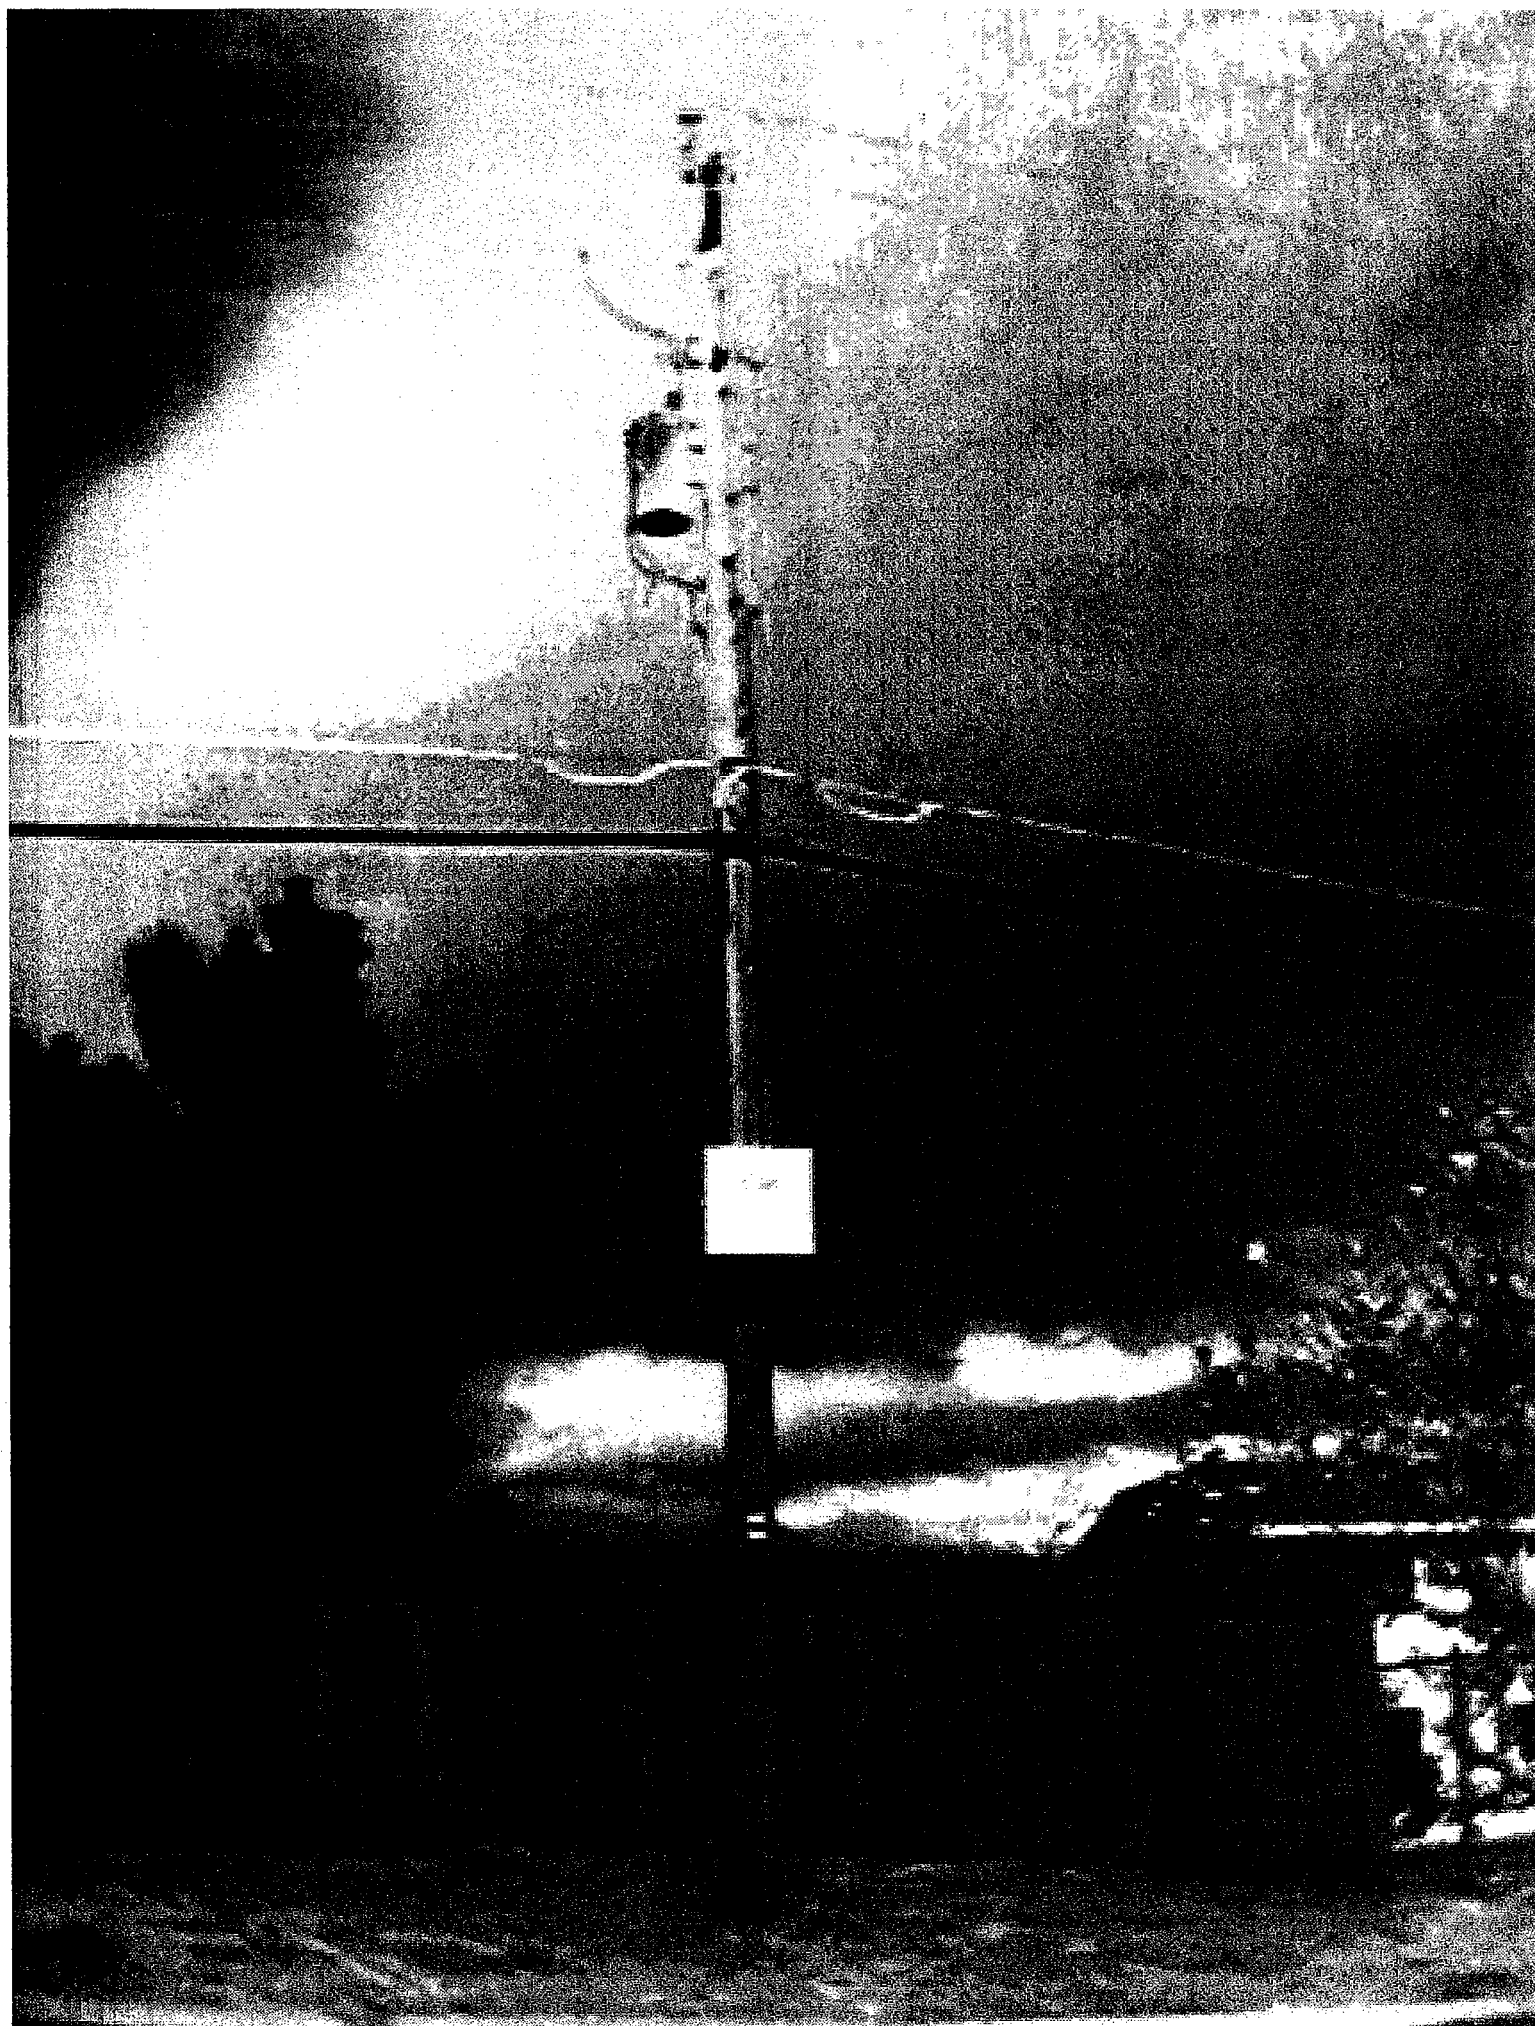

Sincerely,

/s/ **Maria T. Browne**
